Let the good times roll!

MHS 08

MEDFIELD

Individually and collectively, the lives of Medfield High students have come together over time to form our own personal movie. During our journey through high school, we all experience the roller coaster of emotions that also accompany movies: joy, sorrow, anger, suspense, and frustration. However, unlike the scripted movies of Hollywood, our Medfield High School movies are constantly evolving and changing. So make sure to silence your cell phones, enjoy the show, and let the good times roll.

2008

MEDFIELD

Although we are all students at Medfield High School, we double as the celebrities of our small town. The people of Medfield repeatedly come out to see what we have to offer, whether it be catching the game winning touchdown or hitting the high note in the school musical. Playing an integral part of our community, we always remember to take time, step back from our busy lives, and help out around town.

MEDFIELD

At Medfield High School, student council and the administration work hard to plan fun events throughout the year. Spirit week is a great way to support the school, while dances are welcome breaks from the sometimes hectic routines. The town also holds events, like Medfield day, to bring the community together. Like Hollywood, Medfield is teeming with its own stars and galas.

STARS GIVING BACK MEDFIELD DAY

Below, boys show off the prize fish for the Peer Leadership Booth, proving that rain won't ruin a Medfield Day tradition of food, fun and prizes.

Above, Juniors Ester Babson and Gaby Harvey take time out from selling goodies to support the Medfield High School Field Hockey Team by striking a pose.

Below, boys from the Troop 10 Boy Scouts take a picture in front of their handmade wooden fort.

"EVEN THOUGH THE WEATHER WAS PRETTY BAD, THE TOWN STILL CAME OUT AND WE ALL STILL HAD A GOOD TIME."

- Tia Davange

"DESPITE THE WEATHER, WE HAD A GREAT TIME AND MANY KIDS IGNORED THE RAIN TO CELEBRATE THE CAMARADERIE OF OUR COMMUNITY."

- Brian Iafolla

TAKE FIVE

The Senior Picnic

Seniors Matt Downey, Stephanie Maalouf, and Clay Tannler enjoyed playing football between courses during the picnic!

Arielle Pocock races against the pull of the bungee cord to sink the ball in the basket before her opponenet.

Sara Mancuso ably competes against her classmates in the high intensity pie eating contest while friends cheer her on.

"I had a great time eating food and playing games with the entire senior class!"
-Anita Colamaria

"The picnic was really fun. It was a great way to kick off senior year."
-Alex Hendrix

COSTUME CHANGE

SPIRIT WEEK

Below, juniors Beth Maguire and Kaitlin Kimball dress in black for spirit week. At right, sophmores at lunch show their school spirit with orange.

Above, seniors Emma Suojanen and Tommy Taricano pose in the senior hallway.

Below, Keith Curbow and Joey Thibeault pose with their grade's penny wars jar. Underneath, Sarah Zitoli, Carolyn Aker, Lily Marto, and Tory Black are the "Fighting Four R's".

"Everyone went crazy this year for Spirit Week. The Pep Rally was hilarious. Crank that Kyle."

- Josh Mazer

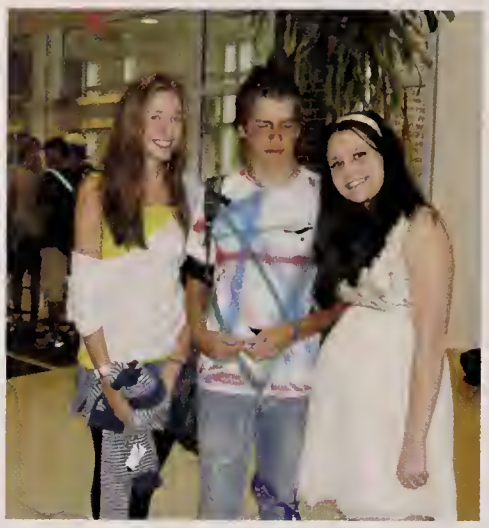

"Spirit Week is one of the best weeks of the year. It brings all the seniors together and gets us excited for the rest of the year."

- Tory Rogers

FASHION DO'S & DON'TS

Students take a break from studying to pose for the camera.

Students dress up at school for Decade Day.

Pat McClay strolls down the hall with his slicked back hair and shades for Halloween Day.

The PepRally this year was great! I loved the dance done by the senior drama boys; it was hilarious!.

-Krissana Allen

The school year would be nothing without spirit week and the Pep Rally.

-Tommy Taricano

THE BIG PREMIERE

PEP RALLY

Below: Freshmen and Sophomores compete as the Orange Iguanas and the Purple Parrots. *Right:* Senior boys show off their Warrior pride.

Matt Aucoin entertains the crowd with some tunes during the Homecoming King/Queen dating game.

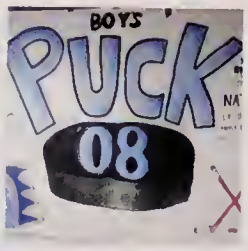

Where's the cream filling? On Shea Maloney's t-shirt! Contestants on Legends of the Hidden Temple crawled through a tunnel filled with whipped cream as part of the competition.

"Kevin, Taylor, Lenny, and Matt are the best dancers ever. Great job Stuco!"
-Nick Dove

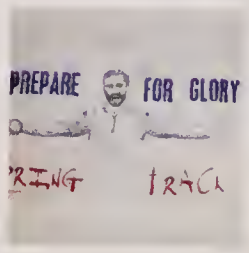

"Student Council had a lot of fun preparing for the Pep Rally. It was really fun, and a huge success!"
-Katelynn DeTrain

As a new addition to the Spirit Week tradition, senior captains made banners for their individual sports then marched them across the field at the Homecoming game.

Dressed in their matching t-shirts, Julie Scalon, Kiley Motley, and Gabby Harvey show off their Juicy Junior Pride on Warrior Pride Day at School.

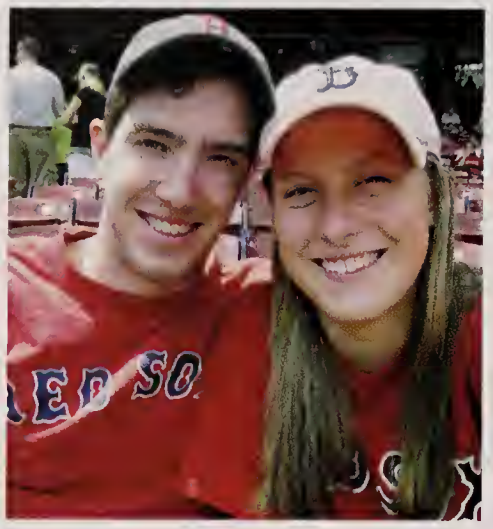

"The parade before the football game was really fun. The boys played great and we loved cheering them on."
- *Robin Higgins*

"School Spirit rules. Medfield pride! Come together... Right now."
- *Elie Maalouf and Shea Maloney*

CAUGHT BY THE PAPARAZZI

Below, seniors Rebecca Jones and Riley Beath enjoy a game at Fenway. At right, seniors Katie Galvin, Collen Melaugh, and Brittany Welch pose on the field.

Above, Juicy Junior girls strike a pose for the camera in colorful outfits while getting ready for the Homecoming Dance.

Below, seniors Katelynn Defrain and Taylor Paraboschi dress in 80s attire for the the Freshman Welcome Back Dance.

Students smile for the camera while taking a break from gym class.

BEHIND THE SCENES

Jill Monahan and Cam Moon smile for the camera while hanging out.

Steven Hiltz strikes a pose before the big football game.

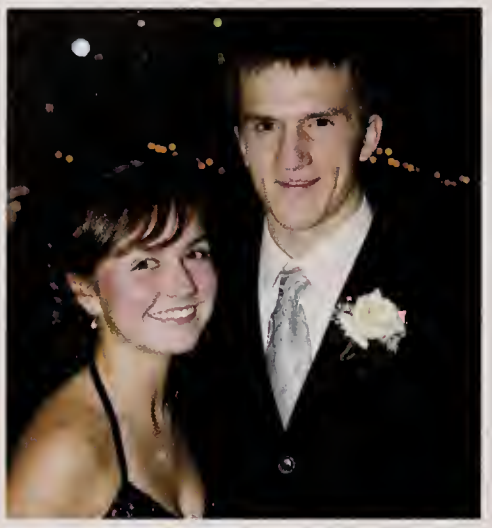

"Medfield...it's been fantastic and I'll miss it." -*Erika Santucci*

"MHS has been amazing the last four years. I'm going to miss it so much!" -*Stef Porcaro*

STARS GROOVING AT HOLIDAY DANCE

Faculty Section

MEDFIELD

Every student at Medfield High School has his or her own specific role, growing and developing as each year flies by. In order to allow their characters to thrive, students need the guidance of those who are wiser: none other than the faculty and staff at MHS. Every day, the staff works behind the scenes, teaching and helping the students to take center stage. Under their direction, students gain the knowledge needed to make their characters shine in the spotlight.

The Science Wing...

Mrs. Kryzanek is giving up her seat as a star in the science department after a memorable 23 years at Medfield High School. 23 years – that's 4,140 school days of sharing her innate knowledge with and incredible dedication to the young, impressionable minds of students at MHS, which is sadly coming to an end as the 2008 school year closes.

Carol Kryzanek has always been fascinated by the complexity of science, specifically chemistry and human anatomy. Although she completed two years of research at Harvard Medical School, the limited interaction with other people inspired her to change her career path from research to teaching. Mrs. Kryzanek's passion for education in science has been beneficial to Medfield's students. Throughout her career as a teacher, she has filled her students' brains with plenty of knowledge. "I have taught everything!" Mrs. Kryzanek exclaimed when asked what courses she has taught over the course of her career. On top of teaching all levels of biology, chemistry, environmental science, introduction to physical science and human anatomy, she also taught one year of math and two weeks of history over at the middle school!

Finishing with a last hurrah as the class of 2008's advisor, this is not the first time Kryzanek has had the opportunity to "graduate" a class. Some of her fondest memories include helping plan the senior prom. "It was a lot of fun to see it all come together. We've had some crazy memories during that," she said.

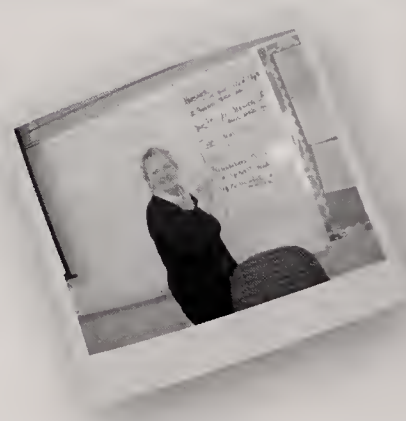

Nothing will be replacing her memories of teaching; she will always remember that the students and faculty: "Are determined to do great." She also recognizes the incredible support faculty gives to each other, and for that, she is grateful.

As Mrs. Kryzanek plans her retirement, she hopes to participate in a lot of volunteer work and spend time with her family. Although she may be leaving MHS, Kryzanek said, "In some capacity, I'd still love to teach." She is eager for the class of 2008 to succeed and enter new stages of their lives but she reminds all of the students at MHS, "Just remember us."

"Mrs. Kryzanek knows a lot about her subject and is always enthusiastic while teaching." - Mike Cotter

"She's really helpful and understanding in biology class." - Hannah Donnelly and Alex Freeman

"Her excitement about science makes class fun!" - Scott DiSciullo

...That's a wrap!

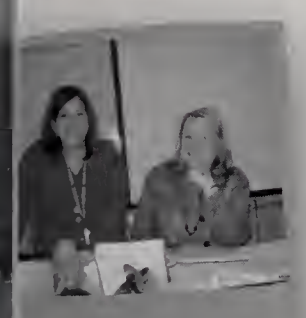

Mrs. Martin is one of the most dedicated and outstanding teachers in the science department. She confesses that she has "absolutely loved biology" since her freshman year of high school. This spark eventually became the flame that ignited her drive to become a science teacher. After a period of student teaching, Mrs. Martin fell in love with all aspects of the profession and decided to take the journey down that career path. However, after 22 years of love and dedication to the faculty and students of MHS, she has decided to retire.

Over the course of her career, Mrs. Martin has spent approximately 23,760 hours teaching Chemistry, Environmental Science, Introduction to Physical Science, Human Anatomy and Physiology, and all levels of Biology. She has worked tirelessly to better the education of her students, who have grown to respect and admire her in return. Any one of these students could describe her evident passion for the sciences. In particular, she exemplifies this passion through her block day labs, which stand out as her favorite aspect of teaching. She divulges, "There is nothing like a good lab." Week after week, Mrs. Martin strives to create an intellectual, yet fun and stimulating, environment that both she and the students can enjoy.

According to Mrs. Martin, the most outstanding feature of Medfield High School is the environment. She believes the relationship between the faculty and students creates a unique rhythm within the community; the support and understanding generated from both parties coalesce to form the place for which Mrs. Martin has developed a love.

Throughout her career at this school, she has most enjoyed the faculty, the students, the new technology programs, and the construction of the new high school. She feels that MHS is an extremely positive community, and an opportune location to develop a profession. As a final parting note, Mrs. Martin advises the class of 2008 to "find your passion and run with it." This is great advice coming from someone who has done just that.

"I look forward to Mrs. Martin's class every day because her enthusiasm for anatomy makes class fun." - Steph Maalouf

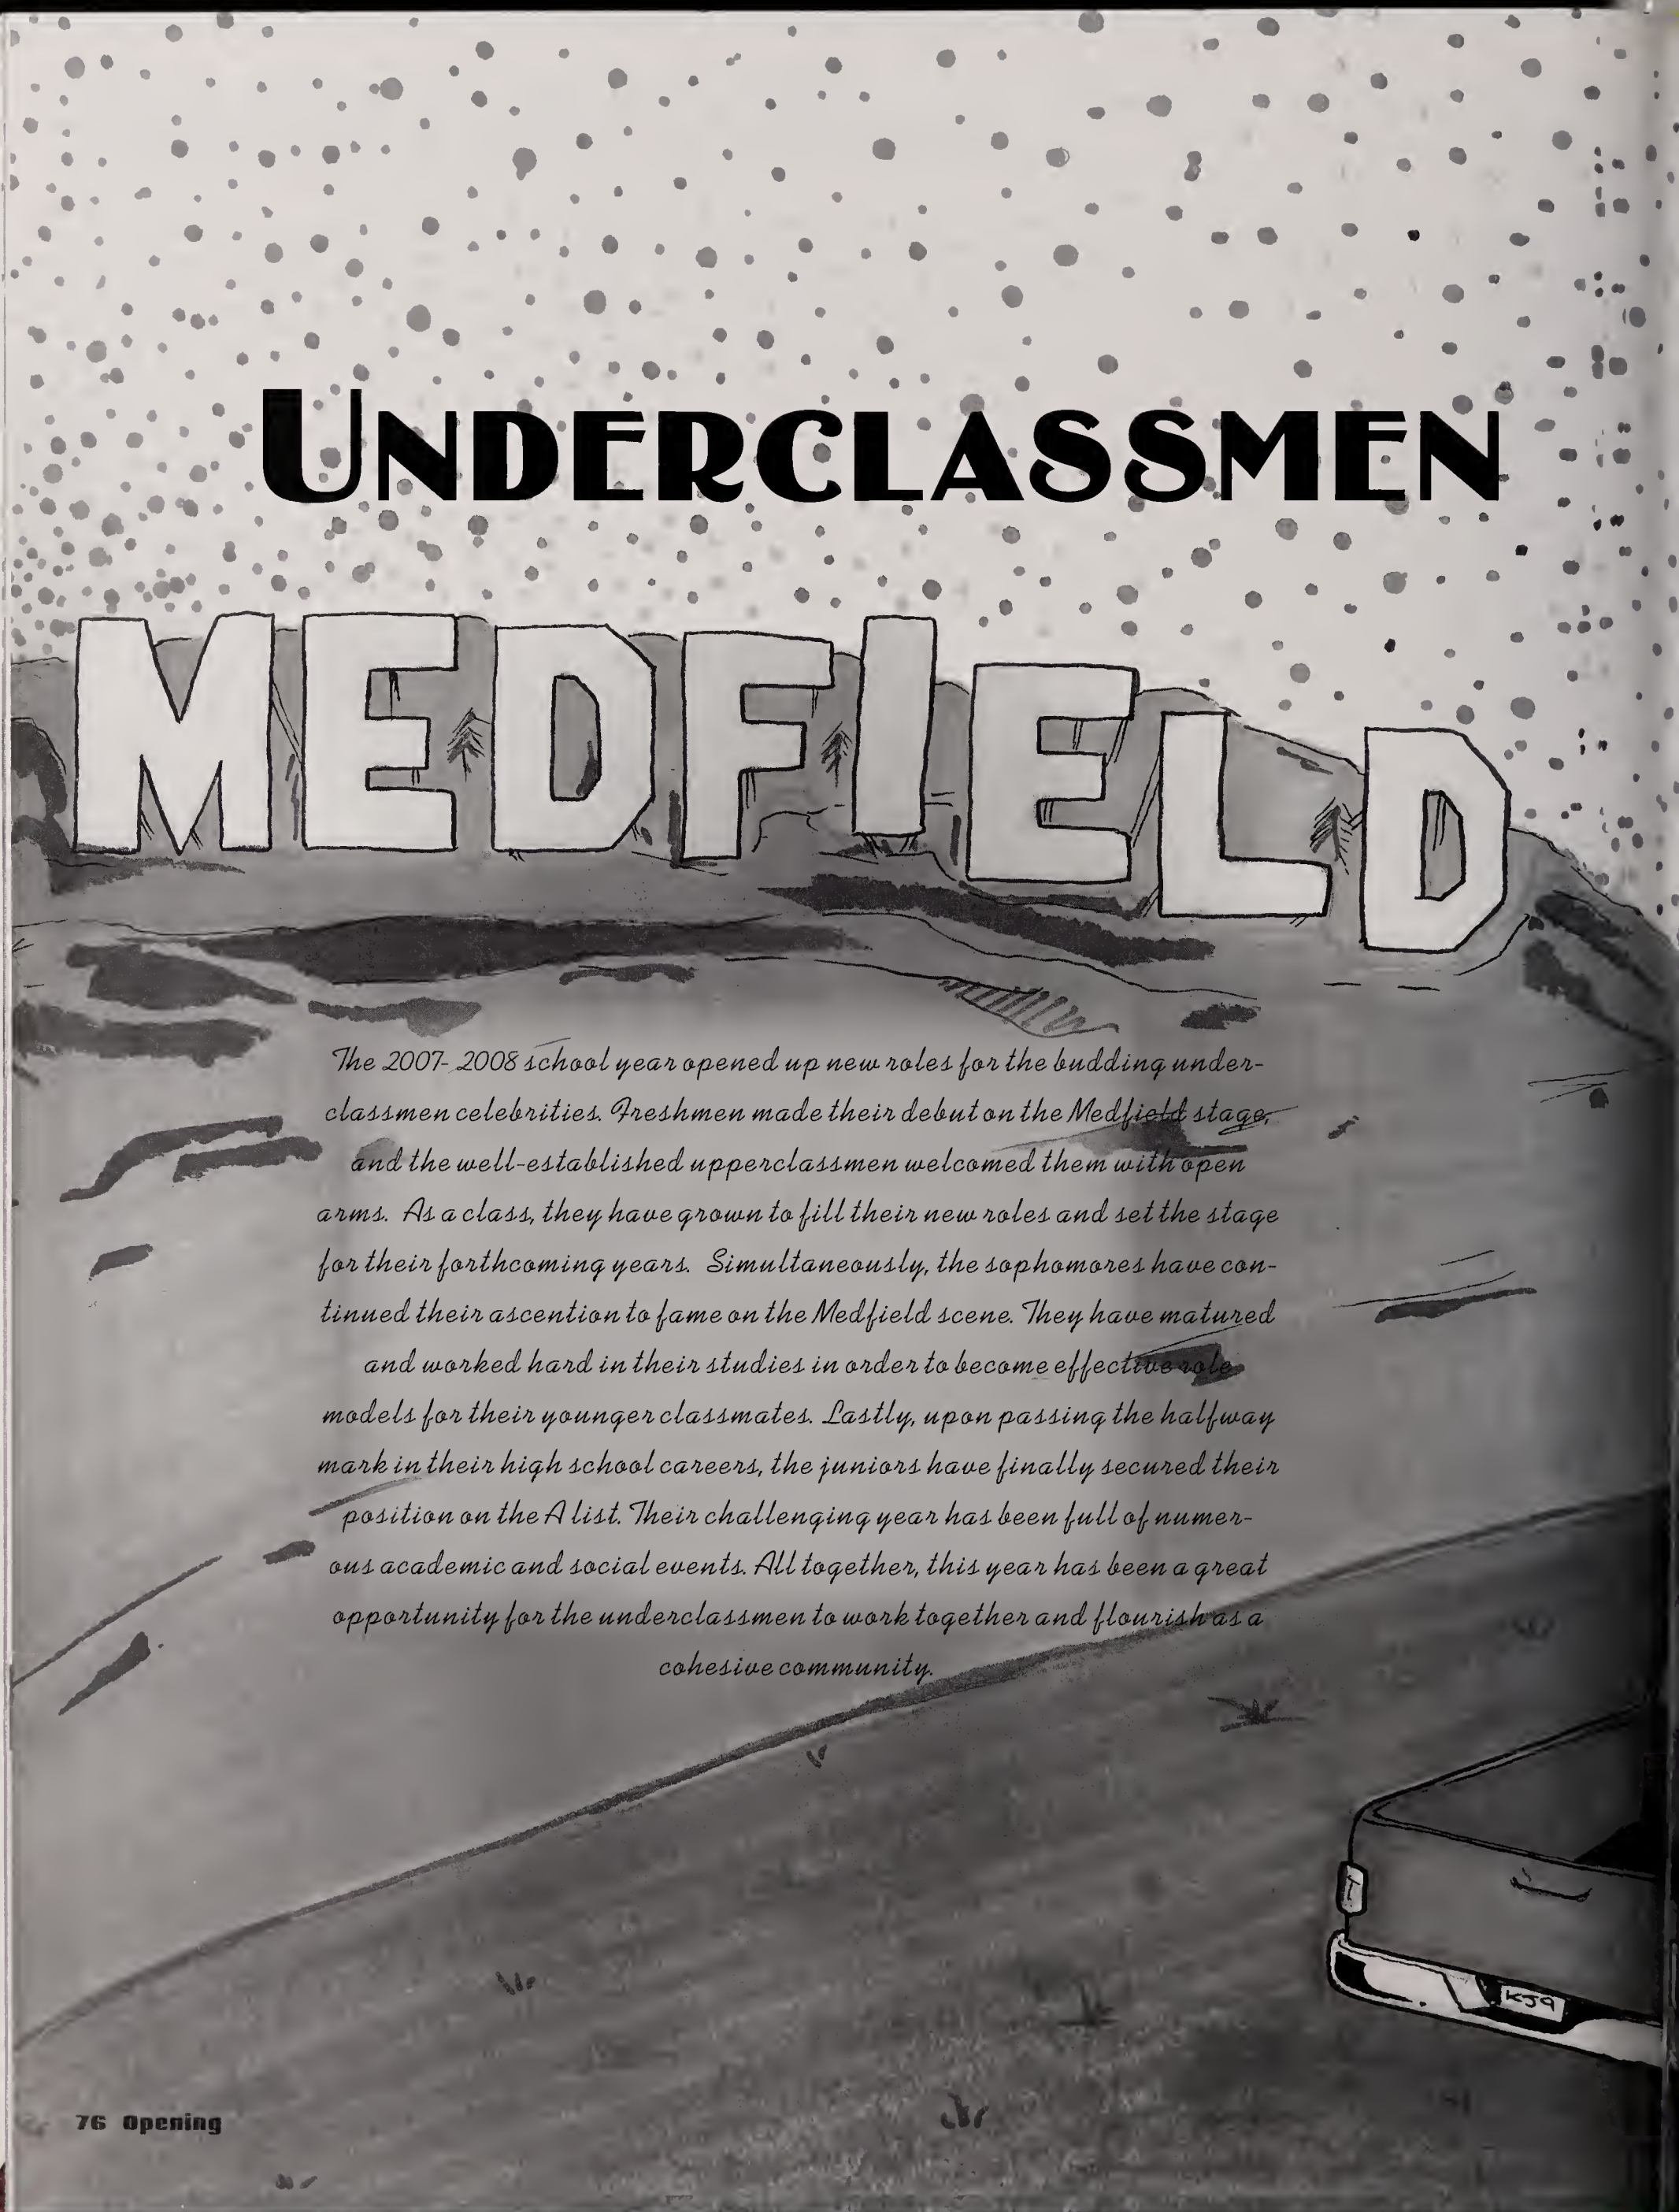

"With style and grace, she teaches biology like it is her passion." - Travis Petrie

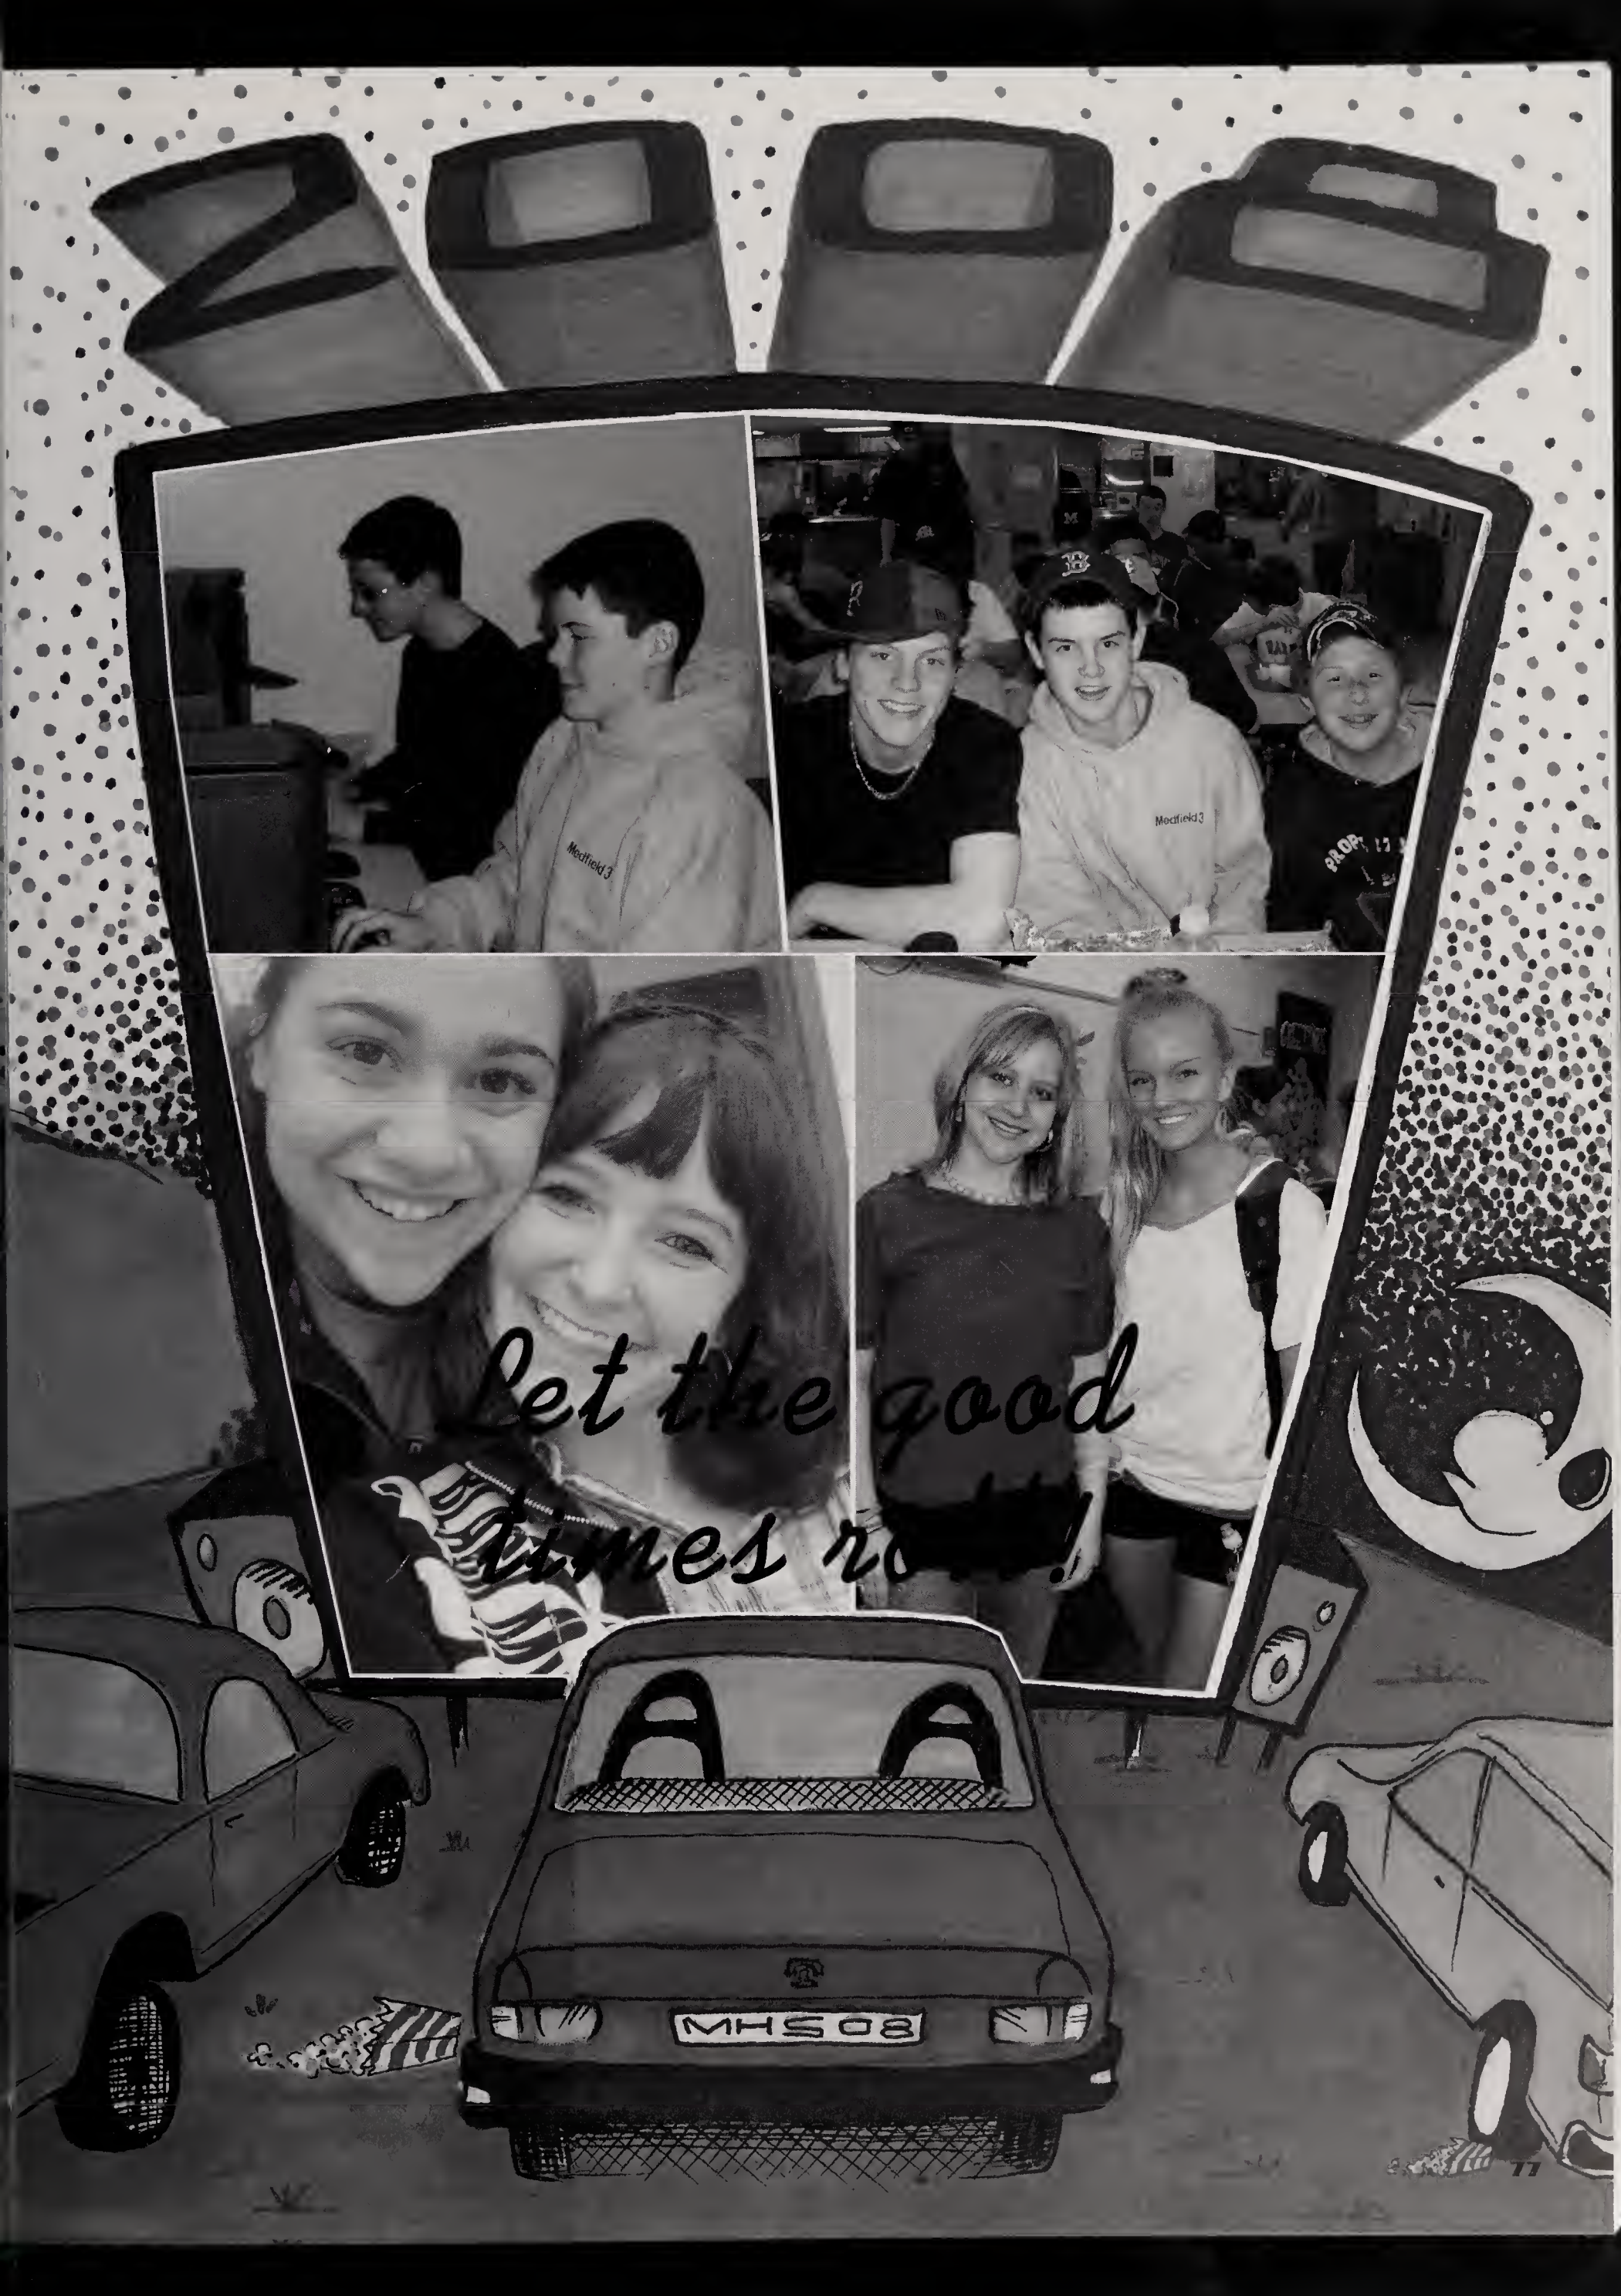

"I enjoyed examining real human bones in Mrs. Martin's class." - Rita Csizmadia

Underclassmen

The 2007- 2008 school year opened up new roles for the budding underclassmen celebrities. Freshmen made their debut on the Medfield stage, and the well-established upperclassmen welcomed them with open arms. As a class, they have grown to fill their new roles and set the stage for their forthcoming years. Simultaneously, the sophomores have continued their ascention to fame on the Medfield scene. They have matured and worked hard in their studies in order to become effective role models for their younger classmates. Lastly, upon passing the halfway mark in their high school careers, the juniors have finally secured their position on the A list. Their challenging year has been full of numerous academic and social events. All together, this year has been a great opportunity for the underclassmen to work together and flourish as a cohesive community.

MEDFIELD

Most of the MHS cast participates in a club or organization. Our high school set has a scene to include everyone. From artists to actors to aspiring film-makers, everyone has an outlet to express his or her passion whatever the interest may be. Each student has his or her own role whether it be a lead as a Senior Ambassador or a supporting role in Community Teens.

Let the good times roll!

Let the magic begin...

Harry Potter Club

MHS has always offered a myriad of clubs for its students. This year, a new scene has been added. Fans of J.K. Rowling's most famous series can now participate in a club honoring their favorite fictional wizard, the one, the only, Harry Potter. The club, organized by senior Moriah Lynch, meets on Mondays to engage in Potter-related activities. These activities include discussing the books, watching the movies in the auditorium, playing board games, and participating in trivia games. During the holiday season, the club decided to organize a Harry Potter Holiday Party, where each member brought a Potter-themed gift for a "Yankee Swap." When asked what her favorite part of the club is, sophomore Catherine Warren relates, "I love analyzing all the books and going into detail." Advisor Ms. Sancher says, "Seeing students so passionate about literature and reading is the most rewarding part of being this club's advisor." Though all seven books have already been released, the club should continue to find plenty of topics to discuss as long as students keep up their interest in this brilliant, timeless series.

A Spotlight on...

MHS Theater Society

In movies, high school drama clubs usually have very few members, and put on mediocre productions. The MHS Theater Society could not be more different from this popular Hollywood portrayal. With over 100 members, Drama, or the "Thespian Society" as some members call it, is one of the largest clubs in the school, and arguably the most active. In addition to performers, several members form off-stage management teams, including lighting, sound, costumes, props, front-of-house, and backstage crews, as well as a stage manager and an assistant stage manager for each show. However, as most members will agree, it is not the onstage magic that truly makes this club so special; but the relationships formed offstage. "It is truly like a family," explained senior Kristin Hutchins, "I am going to miss everyone so much next year!"

Sports

MEDFIELD

Medfield High School Sports have always been strong. This year has been no exception. The student-athletes of Medfield High School work extremely hard to succeed in the classroom as well as on the playing fields. Many of the teams performed very well, and a few of them even won Tri-Valley League Championship titles. Girls Volleyball, once again, earned their place at the top of the league. The football team exceeded everyone's expectations by leading the team to another Superbowl. Also, the boys soccer team earned the TVL title for the first time since 1981.

"Great season boys. Champs once again. Underclassmen: Never lose sight of what you can accomplish, even when everyone else doubts you."
- Mike Welch

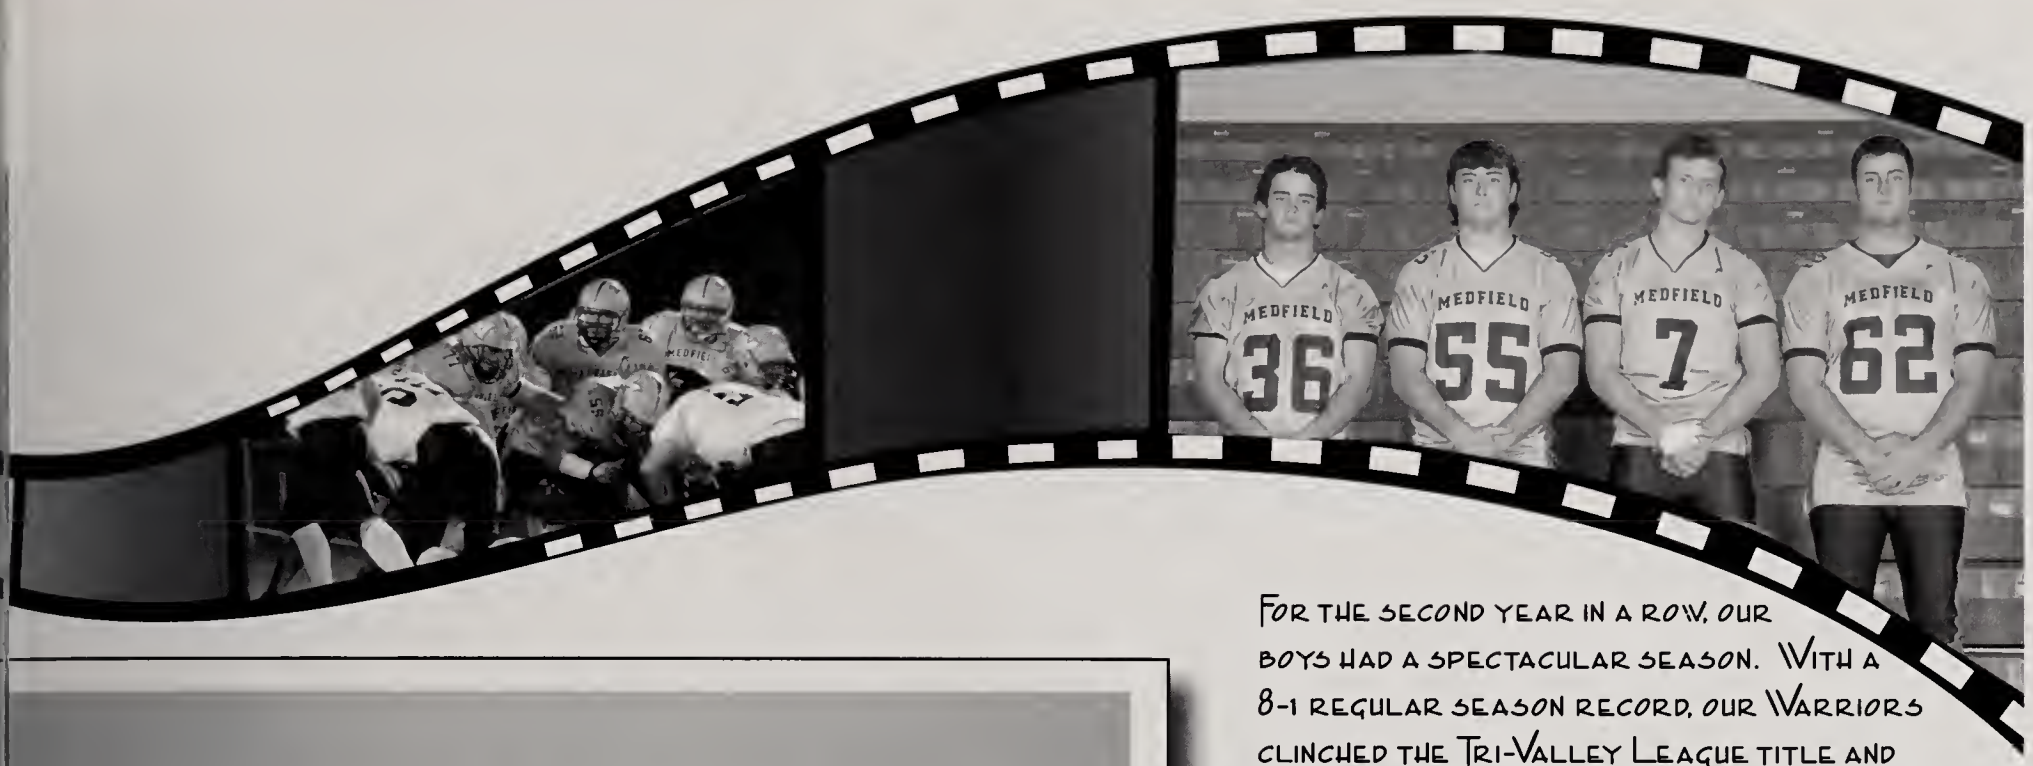

For the second year in a row, our boys had a spectacular season. With a 8-1 regular season record, our Warriors clinched the Tri-Valley League title and found themselves with a playoff slot after the Westwood Wolverines defeated the only team Medfield lost to, the Holliston Panthers. After so many starters graduated last spring, our Warriors were predicted to win only five of their nine games. However, the boys worked extremely hard to put together a new offense and a strong defense to show the newspapers who is boss. After defeating the Abington Green Wave in the first round of the playoffs, our defending champions were honored by playing the Super Bowl at Gilette Stadium: home of the New England Patriots. Unfortunatley, the Warriors were defeated by the Big Blue of Swampscott. However, the football team should not be upset; they played far better than anyone could have imagined this season.

First Row: Cassie Matukas, Callie Weldon, Rebecca Clair, Sarah Basiliere, Julie Scanlon, Annie Bonaguro. Second Row: Steph Chung, Rhiannon Andrews, Mikayla Pochebit, Georgia Naumann, Christine Stamer. Third Row: Charlotte DiClement, Tia Davanage.

The Dover-Sherborn-Medfield Gymnastics team mounted another striking season. Junior captain, Nicola Tesorero, led the team and brought impressive leadership and support to her squad. Also, their coach, Michelle, helped the team toward victory thanks to her enthusiasm and previous experience. The gymnasts practiced rigorously at Quiggs School of Gymnastics in Bellingham where their routines were refined. The DSM team competed against surrounding towns on the beam, vault, bars and floor. Of these four events, many astonishing skills were accomplished. The DSM gymnastics squad landed a perfect 10 season through their unique talent and remarkable team spirit.

- Karyn Moss

"Awesome season girls!!! It was a blast. Good luck next year, can't wait to come back and watch!"
- Rachel O'Shea

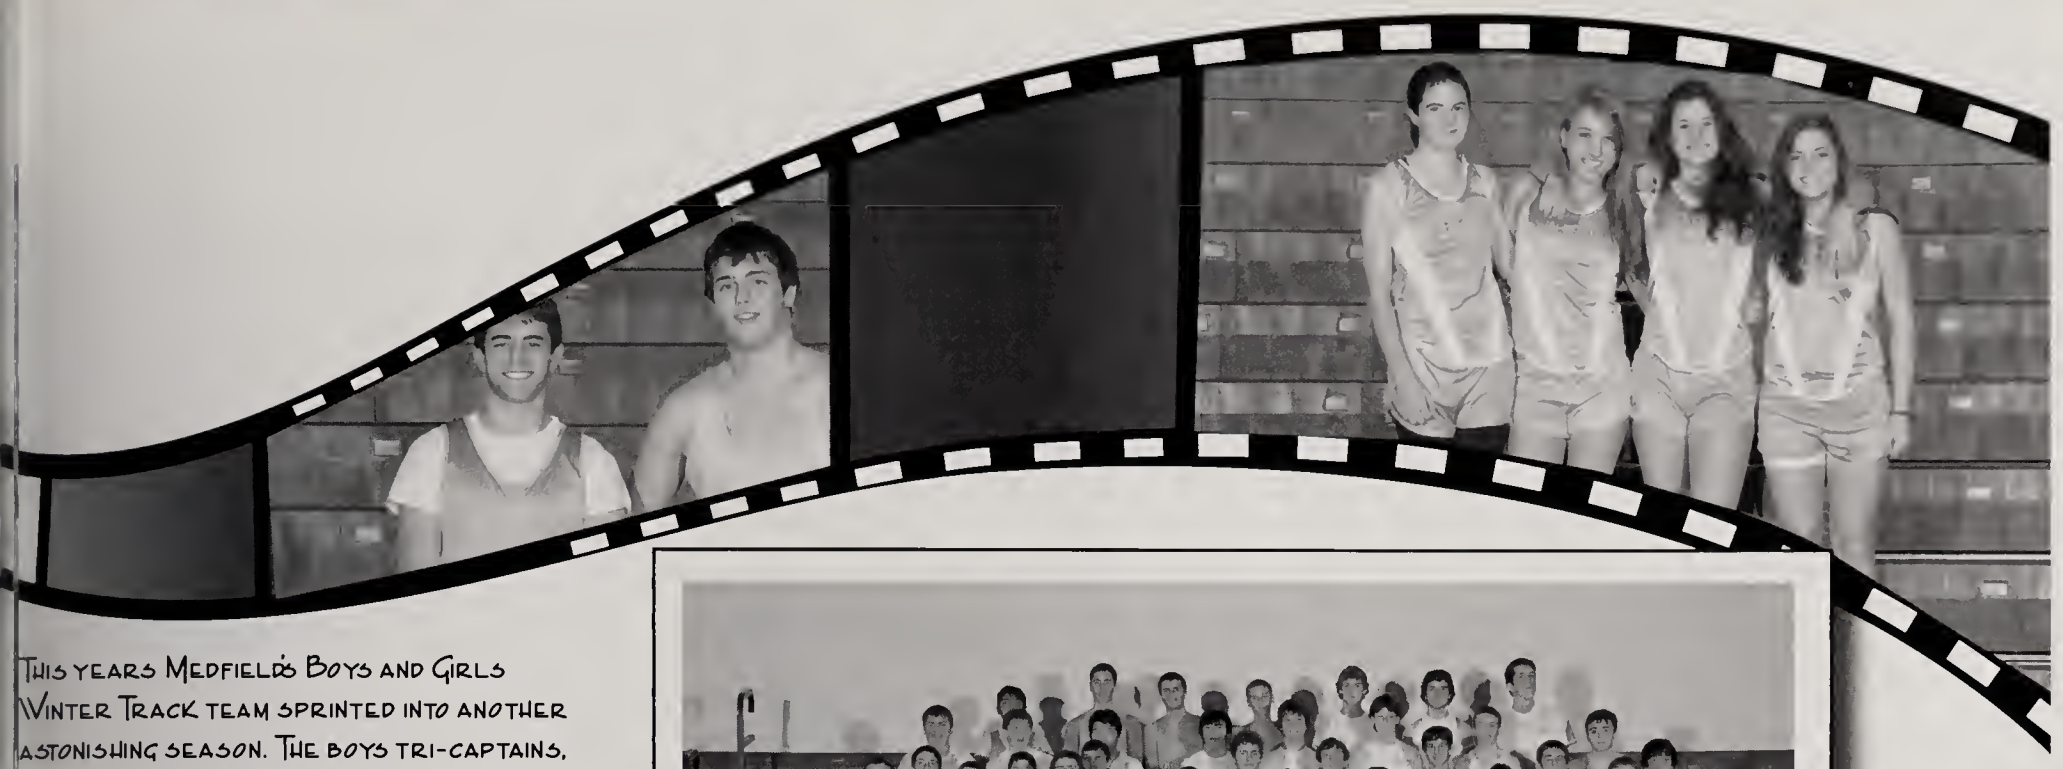

This years Medfield's Boys and Girls Winter Track team sprinted into another astonishing season. The boys tri-captains, Harry Bodozian, Peter Tuths and John Warren, led the team with dedication and proficiency to another rewarding record. Moreover, five bold captains, Laura Bock, Krista Carlson, Anna Garrison, Karyn Moss and Rachel O'Shea, led the Girls team; each brought her own individual brand of character and devotion to running. Coach Gavaghan and Coach Tufel trained the boys sprinting and throwing groups, while Coach Stevens, Coach Reynolds and Coach Slason coached the girls team in sprinting, throwing and hurdles. In addition, Coach Whitmore and Coach Appleyard guided the distance teams for both the boys and girls. Both teams participated in several successful division III relays, which contributed to their altogether outstanding season.

The Dover-Sherborn-Medfield swimming and diving team always has a successful season. This one was no exception. Captain Olivia Tawa, with the help of the other senior members, lead the team through the thick and thin. The fearless diving team, jumping from tall platforms to perform difficult varials, were really something to watch. The swimmers used all their stamina to beat the opposing team in the various races across the pool. No matter what the challenge was, the team always approached it with a full head of steam. Regardless of the result, the team always kept their heads up and prepared for their next test of strength.

The Varsity Girls Ice Hockey team, in its second year, became stronger this past Winter season. The Lady Warriors built up a great team, and their dedication and practice shined through on the ice. Although their record was not as great as they would have liked it to be, they gave it their all. The strides they have made since day one were both impressive and promising for the future of the team. The seventeen girls all learned from each other, both on and off the ice. Captain Christine Beggan believes everybody has improved and bonded with each other, and wishes luck to the girls next year.

A new season brought a new team into the spotlight this year, with the formation of the MHS Spirit Squad. Combining both dance and cheer skills, this group of girls put forth their best efforts performing at basketball games; cheering the team on throughout the match and showcasing their talent during halftime and quarter breaks. The Spirit Squad had an exciting season with the guidance of rookie coaches Amanda Chamberlain and Jessica Durdel, both teachers at MHS. In its first year, the program progressed well with future hopes of participating in dance competitions and continuing to entertain crowds at the varsity boys and girls basketball games. Go Big Blue!

OOOOOHHHHHHH NOOOOOOOOO!! Evan is Graduating!!! Our "little boy" has become a young man. From Kindergarten with Mrs. Westwater through high school with Mr. DeSorgher you have always excelled and given 100 percent 100 percent of the time. Our memories of your school years are nothing but pleasant. Your parents could not be prouder of the young man you have grown into. We're at the edge of our seats waiting to see the next turn of the page – we'll be there with you always but, from now on, you'll be leading the way – just as it should be. Congratulations to you for an outstanding tenure at high school and we know that no matter what, you'll do your best to reach your, "gooooooooooooaaaaaaaallllll"

People say they've never been to a friendlier dental office.

People say they notice it the moment they walk in. We'll treat you like we would treat a member of our family with a gentle touch and genuine concern. It's a good feeling when patients tell us how enjoyable their visit was. Give us a call today.

AND NOW!

Porcelain Tooth Colored Restorations in one visit with Cerec 3D!

Instead of messy impressions, we take an optical impression and fabricate your restoration in our office in as little as 12 minutes. No temporaries and no need to return to receive your restoration. This process is metal free, allows us to save more of the healthy tooth and it is extremely precise. The ceramic material is biocompatible, high grade, anati-abrasive and plaque resistant.

Your initial exam includes:

- *Complete exam of teeth for cavities, chips, cracks and decay.*
- *Thorough check of gums for puffiness, bleeding and receding gumline.*
- *TMJ (sore jaw) test with Doppler Ausculation.*
- *Oral cancer screening for peace of mind.*
- *Private consultation regarding your dentistry.*
- *Provide specific treatment recommendations.*

Looking Back

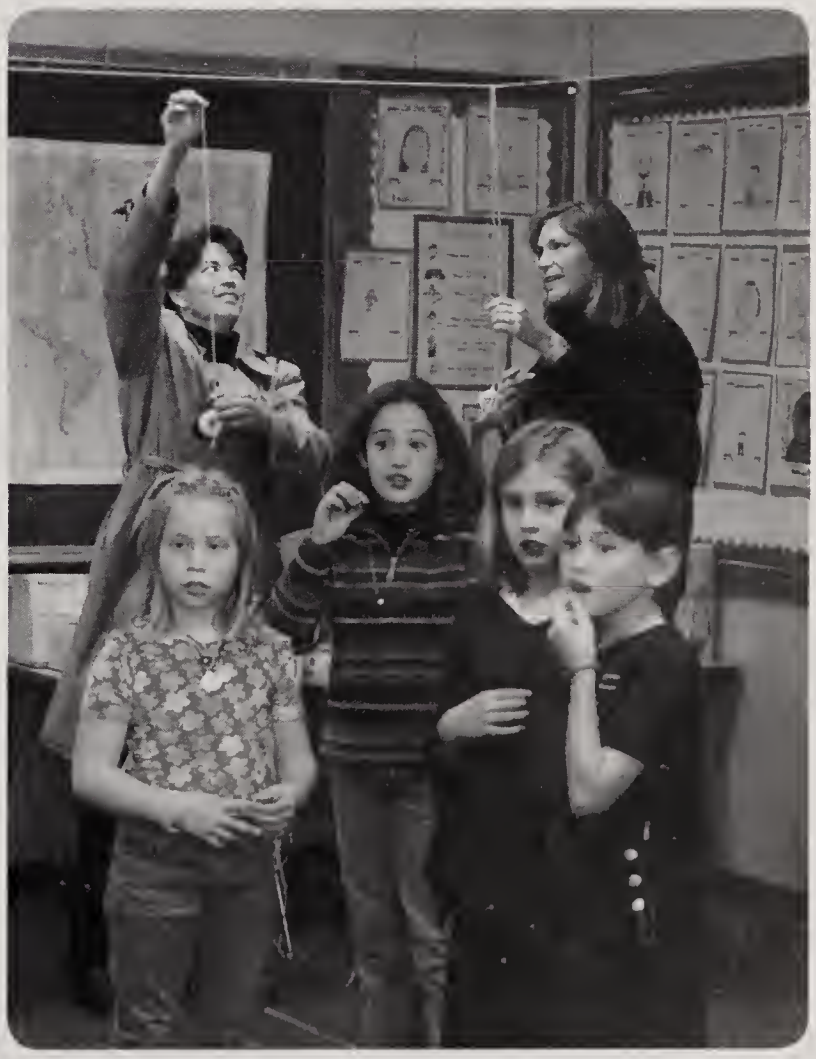

HERE'S TO YOU...

A dedication to our friend and classmate, Gus Murby

If I could tell the world just one thing
It would be that we're all OK
And not to worry 'cause worry is wasteful
And useless in times like these

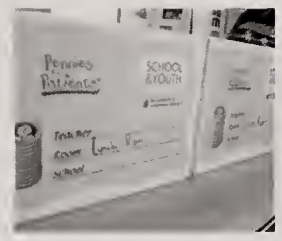

I will gather myself around my faith
For light does the darkness most fear
My hands are small, I know
But they're not yours, they are my own
But they're not yours, they are my own
And I am never broken

– Jewel

"What you leave behind is not what is engraved in stone monuments, but what is woven into the lives of others."

– Pericles

"Some people think it's holding on that makes one strong; sometimes, it's letting go"

– Hermann Hesse

Joy, strength, resilience: these words characterize the legacy that Gus Murby leaves behind. Despite his plaguing illness, he radiated happiness and laughter; his amicable personality and boundless humor illuminated any room he inhabited. At the same time, he set forth his best effort to keep up in school and remain a member of the class of 2008. Undoubtedly, Gus will always be a member of the class of 2008, and his happy memory will live on in the hearts and minds of those who had the privilege of knowing him.

Gus continually managed to find the silver lining in the cloud and put forth an optimistic attitude. Regardless of the circumstances, words of complaint never passed his lips. He always had a joke to tell or a smile to share, and many of his classmates remember him by his joyful personality. When commenting on his jovial sense of humor, Gus's friends often refer to his infamous Greta Garbo impressions. His positive attitude and quick wit made others gravitate toward him.

Amidst his illness, Gus always remained dedicated to his school work. He was determined to keep up and do whatever it would take to remain a member of the class of 2008. Simultaneously, he acted on his desire to swim by staying on the Dover-Sherborn-Medfield Swim Team. His teammates admired his strength and resilience, as he trained for the forthcoming season. This dedication to both school and swimming, in spite of his physical condition, speaks to the remarkable strength Gus demonstrated throughout his life.

Over the years, our class has developed into a family. In an expository writing paper from his junior year, Gus also commented on the familiar bonds that have developed between the students. He wrote, "Over the years, I have noticed, with myself and others, that many friendships have grown stronger and people talk to each other as if they were all part of a large family." Gus remains an integral member of this family. All will remember him by his friendly disposition, ever-present humor, and unmatched strength. His memory will not fade in time, for his spirit will endure forever in our hearts, minds, and prayers. To attribute the immortal memory of Gus, we hereby dedicate the 2008 Medfield High School Yearbook to his name.

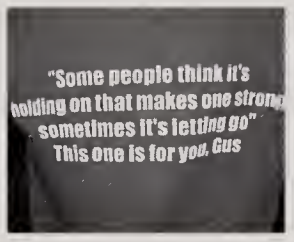

An excerpt from an Expository Writing piece, written by Gus Murby:

"My experiences at Medfield High School have had their ups and downs. After the long hardship I faced during my sophomore year, looking back I have come to understand and appreciate the many opportunities offered at Medfield High School. Also, over the years, I have noticed with myself and others, that many friendships have grown stronger and people talk to each other as if they were all part of a large family. There is also the obvious: my intelligence has changed for the btter and I have changed in my appearence too. I also believe I have a much better outlook towards school and how much one enjoys simple things such as seeing friends each day, even if it is in a learning environment."

"I'd like the memory of me to be a happy one, I'd like to leave an afterglow of smiles when my day is done."

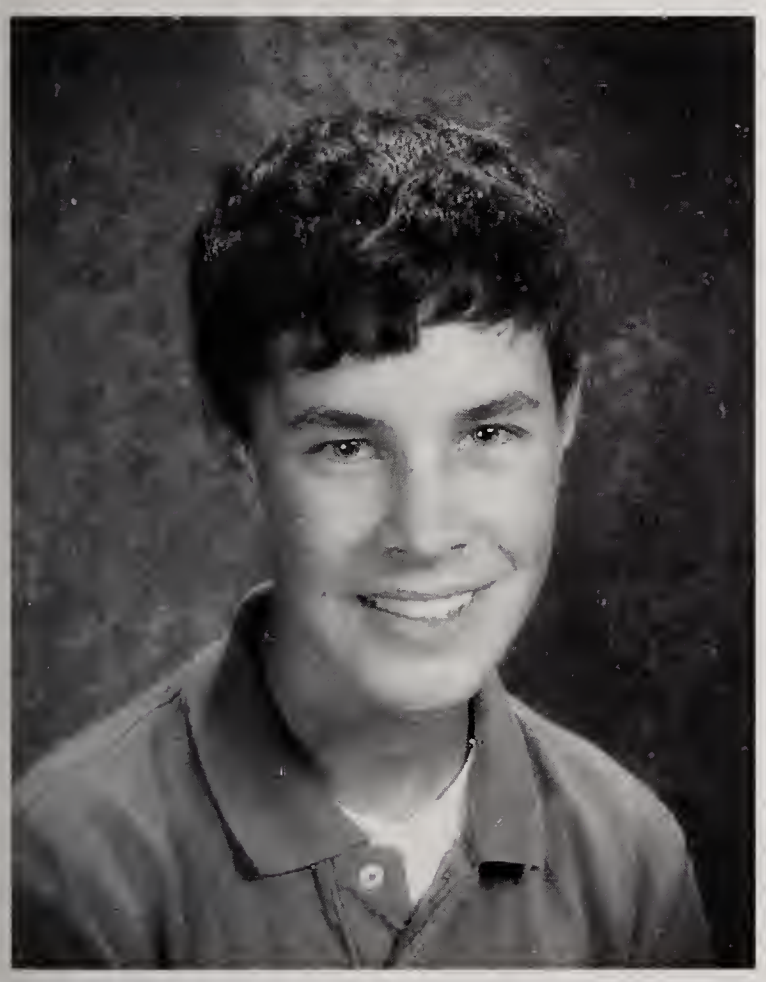

– Afterglow

"The thing that makes everything easier is just knowing I've got you guys behind me. It just makes everything easier, no matter who you are."

– Gus Murby

Joined by his teammates and Coach Nelson from the Dover-Sherborn-Medfield Swim Team, Gus celebrates a victorious season at the team's year-end banquet.

HERE'S LOOKING AT YOU...

In memory of our classmate and friend, Dan Palermo

September 19, 1988 - August 29, 2007

"It is a rare thing to find someone who devotes his entire life to showing the world love. Dan Palermo has always lived to make people laugh, and has always generated laughter. It was Dan's sole purpose in life to make you laugh. So for the sake of my grief and Dan's memory, I ask that you please continue to do so."

– Wes Hughes

Daniel Palermo was born on September 19, 1988 to Charles and Maureen Palermo. He shared a close bond with his two siblings, Mark and Lisa, which held them together through thick and thin.

Throughout his entire life, Dan was never without a smile and a kind word. Although his time was cut short, it cannot be said that it was meaningless. The happiness he exuded could brighten anyone's day, and his cheerful disposition made others gravitate toward him. Dan always had a joke up his sleeve, for nothing brought him greater joy than making others laugh. The laughter he provided truly touched those he loved.

During high school, Dan found a love for drama, and drama returned that love to Dan in full. While on stage, a light emenated from him so bright and so radiant that he was impossible not to watch and admire. He served as a mentor to the underclassmen and was always ready to offer advice or a helping hand to anyone who asked. This year the MHS Theatre Society will give one student a scholarship in Dan's name. This scholarship will be awarded to the person who most embodies Dan's mission in life – helping others and maintaining a positive attitude.

It is a rare occurrence in this world to encounter such drive and purpose in someone so young, yet Dan always knew he had a reason for being on this earth, and that reason was to inspire others through laughter and his positive attitude. With every laugh, Dan's memory will continue to live on and brighten the lives of those who listen for it.

"A good person influences those around him in life, but a truly special person's influence continues after his death. Dan is still my hero. Remember him."

– Alex Sakach

As I often do with others, I showed up to this party late, but man, I'm glad I came. I was welcomed at the door and invited to dance along. Now as the party winds down, I once again find myself wishing I'd come earlier. But there are a few songs left, and I'm not going home until it's all over – so let's dance.

- DAN PALERMO

ALL SMILES Dan and Wes Hughes commemorate a wonderful performance of *Fiddler on the Roof* with dinner at Friday's alongside the rest of the cast.

TO LIFE The boys of the MHS Theatre Society celebrate "Le Chiam" and sing its praise during the 2007 spring musical, *Fiddler on the Roof*.

good laughs

"I need to laugh, and when the sun is out, I've got something to laugh about,
